## Weakness.

OUR SUCCESS IN CURING THOSE derangements commonly termed weakness. has done more to extend our reputation as specialists in men's diseases that any other thing. We were first to discover the fact that "weakness" is merely a symptom resulting from a chronically inflamed prostate gland, and that to remove this inflammation is the only method of permanently restoring lost vigor. To this day our system of treatment is the only successful one in use. In years we have not failed to effect a complete cure. Of course, there is an occasional case that has pussed into that incurable stage, and we do not treat it at all. Our long experience enables us to recognize them and to select only such pages as we can cure permanently. OUR SUCCESS IN CURING THOSE

VARICOCELE -Absolutely painless treatment that cures com-pletely in one week. Investigate our nethod, it is the only thor-oughly scientific treatment for this disease being employed.

CONTRACTED DISORDERS-Be sure your cure is therough. Not one of our patients has ever had a resupe after being dis-missed as cured, and we cure in less time than the ordinary forms

of treatment require. SPECIFIC BLOOD POISOS-No dangerous minerals to drive the virus to the interior, but harmless blood-cleansing remedles that re-move the last poisonous taint.

Announcement was made yesterday by Secretary John Hackbertster of the St. Louis Fair Association that ten slabes had been decided upon for the spring in which the early dates of Kinio Delmar will be run off.

Starting April II, the meet will run for fifty-four days, and in that time the best-known stakes of the local season, including the Derby, will be held. Two fixed the Deimar and five of the Pair Grounds programme will complete the list.

The opening event will be one week from next Saturday, when the Kinioch Inugural will be run. This has an added value of \$1,500 and has thirty-nine no tions. The Woodlands Trophy will be run one week later, April 2, this event being for 2-year-olds with \$1,500 added, In has forty-seven nominations.

The Delmar meet will open April 20 and will continue until May B. Under this heading, the Fair Grounds Inaugural, the heading, the Fair Grounds Inaugural, the historic stake of the local tracks, will be conducted. It has \$2.000 added, and has eighty-eight nominations. The Pubutants Stakes for 2-year-olds, with \$1.500 added, will be run May 6. This has ninety nominations. The Mississippi Valley will also be run under the Deimar guspices, having \$1.500 added and ninety-four nominations.

Five stakes will come under the head of the regular Fair Grounds meeting. These are the Country Club, Club Members', Memorial, Junior Champhonship and \$1.100'a Derby. The Derby has fifty-one nominations, and has an added value of \$7.500, which will make its total worth close to \$15.000. It is expected to be one of the meat important fixtures held here of recent years.

Some of the best-known 2-year-olds of last season are included in this list. Broomhandle, Braden and Layron, all well known locally, are entered. G. C. Baker owning the first mentioned, while Tom Hayres owns the latter pair. Ivan the Terrible, from the stable of W. W. Durden, will also be a competitor, in all probability, and Kurtzman and Refore, from the Cook stable, are also entered.

Burney Schreiber has four representatives, Pinkerton, Clint Reilly, Ed Sheridan and Tom Shelly. J. B. Respess has Woodlands entered. Lucky Charm will represent the Bennett sinble, and John Smulski and Miss Inex will run for Charley Ellison.

On account of the fact that this shifting forward of stakes has required the conditions to be changed somewhat as regards penalties, the Pair Association has decided that in the Inaugural Handicap the announcement will be made May 2. The clause for the acceptance of weights in both these stakus has been eliminated. Conditions of both events are now such that no additional payments will be required until a horse goes to the post. historic stake of the local tracks, will be
